# Foreword

Shellrose Shorthorns have always held my admiration. My first contact with them was in the 1940's when Neil and Allan were in the Baby Beef Club Shows and, it seemed to me, always at the top. Their steers were always carefully groomed, well presented and at the peak of condition. With such a sound and basic beginning this herd was destined for great things.

In 1953 Shellrose Shorthorns brought out their first bull—Bonnie Creek Frisco—and he was awarded Senior Championship at the first Saskatoon Interprovincial Bull Show and Sale. Since that first one they have paraded many Champions before me at major Association Bull Sales. If memory serves me right, Muirheads had nine Grand or Reserve Grand Champions at Regina and Saskatoon Bull Sales in five years.

Nor have they neglected the females. In 1957 they had the Reserve Senior and Reserve Grand Champion Female at the Toronto Royal Winter Fair. Both of the Saskatchewan Shorthorn Association Breed Promotion Sales have been highlighted by a string of good heifers from Shellrose.

I had a most enjoyable visit with the Muirheads at Shellrose on May 18th and had the opportunity to look over the entire herd. It is my honest opinion that they have one of the really good cow herds in Canada today. Their "Serviceman" bull is royally bred, a tremendous individual and really breeding. And what about the cattle they are selling? Again it is my honest opinion that they are very representative of the Shellrose herd and every animal that they are offering is of replacement calibre. It is most definitely a selected sale offering. Possibly some of their best calves are selling with their mothers in this sale. I assure you that no one will be disappointed—no matter how many miles he must travel to attend.

Muirheads were fortunate to have their neighbor, Gerald Hanington of Shellburn Farm, join with them and also to have a quality group from the good herd of Schoolview Shorthorns owned by John Moellenbeck, St. Gregor. Both of these herds are considered to be among the tops in the Province of Saskatchewan.

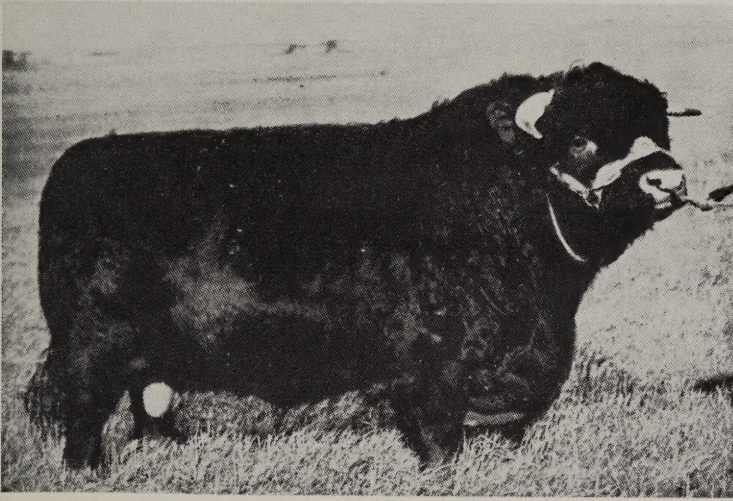

It has been a pleasure to work through the years with these progressive breeders and we are proud that they have selected our Saskatoon Auction Mart as the site for this Invitational Sale. We are pleased that our services are able to keep pace with the advancing Shorthorn breed. We appreciate the reflected glory that is ours because of the great upsurge in interest and appreciation of Shorthorns—a swing that is so evident over this entire continent.

Please accept this invitation to join with Muirheads, Hanington, Moellenbeck and ourselves at the Saskatoon Auction Mart on June 25th to witness the further advance of the "Universal Beef Cattle Improver"—the Shorthorn.

J. R. BLACKLOCK, Manager

### **BAPTON CONSTRUCTOR Sire of BRAESIDE SERVICEMAN**

This world renowned sire is probably having a greater influence on Shorthorn cattle than any other bull in history. He was owned in three countries, has had sons exported to at least three other countries and has more direct sons serving in top herds than any other bull. "Constructor" lives on through his potent sons and grandsons.

This is a most outstanding Stock Bull. It is the intention to have him on display sale day. Your time and expense will be well repaid by the opportunity to see and study this bull. He is typical of the great "Constructor" sons. He is big with tremendous bone, possesses a tremendous coat, has an abundance of fleshing particularly over the loin, rump and rear quarter. He is very active and masculine yet has a remarkable gentle disposition. It was a great day for the Muirheads when they bought this bull from Ian Brown of Braeside. His first calves stood first and second at the Saskatchewan Futurity in April and the one went on to be awarded Supreme Championship. His second crop of calves are now on the ground and do they ever look terrific—some of the best of them are in this sale. Remember, your next herd sire may be here!

## SHELLROSE SHORTHORNS

### ROTHNEY GOLDEN ROD Sire of KILLEARN PIPER 4th

"Golden Rod" sold at \$10,000 creating an all-time high for any breed at Canada's largest Bull Sale held in Calgary, Alberta. His sons were used in leading herds throughout North America. A son of "Piper 4th" sells and four of his daughters, bred to "Serviceman". The sires of both these bulls are grandsons of CALROSSIE WELCOME. "Piper 4th" sired our Reserve Senior Champion at Saskatoon Bull Sale in April.

This is our biggest yearling bull and one that we feel will develop into a good bull. He has age enough for fairly heavy service and we have included him in our sale because he will suit those that need a bull now and also any breeder that might like to grow him out themselves and have him for breeding insurance. His mother is a daughter of "Max Crown" as you will note—the bull that got us in the Championship circle nine times in five years.

This young cow is by the same sire as Lot 9. Her dam is classified A and she is also the dam of Lot 8. Her grandam is classified AA and she is the mother of the good roan bull that we sold at Regina this spring that also sold at \$1,250 to Leo Halstead. Her first calf, Shellrose Serviceman 2nd, was born when she was 24 months of age. He stood second in class to our other Serviceman calf that was made Supreme Champion of the 1964 Saskatchewan Futurity. She sells with her second calf at foot by "Serviceman", born May 17th. Because of her early calving date she is a little small but she is loaded with character and quality. She should be re-bred to Serviceman—3 in 1 combination.

### KILLEARN WELFARE 16th—Herd Sire

Four Hanington cows carry the service of "Welfare". He was one of the top selling bulls at \$3,000 in the 1956 Killearn sale. Purchased by Jesse Peasley, Dundurn, he did a tremendous job for him, both as a show bull and as a breeding sire. His sire is Calrossie Welfare, a brother to "Highland Piper", "Armada", "Prefect", "White Emblem" and "Constellation", the sire of "Constructor". His dam is by Cruggelton Cyril, the bull that Mr. Gallinger purchased at the Winnipeg Flood Relief Sale held in Brandon in 1950.

She is out of the best breeding cow in my herd. Bertha produced us Shellburn Missie who topped her class as a summer yearling, stood second in class as a senior yearling, and produced us a Royal Winter Fair steer that stood 11th in the strongest Shorthorn class at the 1963 Royal. Her dam also produced the 1961 Senior Champion at North Battleford. Bred April 8th to Killearn Welfare 16th.
